Both the families have visited many interesting places together in Bangladesh. It was great fun. Then they decided that they would visit some places outside Bangladesh too. They decided to go to Thailand. But Mita's parents were too busy with their work, so they could not go. However, Mita was going with them.

Mita, Zara and her parents are at Hazrat Shahjalal International Airport. They are waiting in the lounge. Mita is very excited. This is the first time that she is travelling on a plane. They are flying by Bangladesh Biman. Mita is hoping to have a great time in Thailand.

As they wait, the two cousins start planning what they would do once they reach Bangkok. Mita's uncle brings forms for all of them to fill in before going

through the immigration. He gives one to Mita and says, “You have to give some information about yourself in the form. The immigration officer will check your passport and stamp it. And then you are ready to travel.” Mita, Zara and her parents start filling in the forms.

Pass the straps around your waist and adjust at the front. To inflate the vest, pull firmly on the red cord, before you leave the aircraft. We remind you that this is a nonsmoking flight.

You will find this and all the other safety information in the card located in the seat pocket in front of you. We strongly suggest you read it before takeoff. If you have any questions, please don't hesitate to ask one of our crew members. We wish you all an enjoyable flight.
